Lesson Teaching Plan:

The teacher will:

Use facts from Committee to fill in Tree map that describes Events in Westward Expansion and impact/change.

Quick review of the Westward Expansion Era
Pull the Specific events off the Westward Expansion Era.
Post the Blank Template of a Tree Map. Add each event into the Space of the tree map - 1 at a time.

Teacher will show pictures, quotes, journal entries of accounts of each event.
Lead a class discussion of the impact of each event on the people then as well as for generations today. What has changed? How have the families been impacted? How has the Spokane Tribe been impacted?

Review complete Tree map. Students will discuss with a partner or group the impact of the events on the Spokane Tribe. Each group or pair will write a statement or question on sentence strips to add to the base of the Tree map for further discussion.

Materials Needed:
